Re: Statement of Nutritional Support Notification – Advanced Ambrotose

Dear Sir or Madam:

In accordance with 21 U.S.C. § 343 (r) and 21 CFR § 101.93, Mannatech Incorporated, 600 S. Royal Lane, Ste 200, Coppell, TX 75019, hereby submits an original and two copies of it's notification within 30 days of first marketing its product with the statements presented below:

Supplement Brand Name: Advanced Ambrotose 75 g and 150 g

Supplement Ingredients: See attached SF box.

Text of Statements of Nutritional Support:

1. Product designed to support cellular communication. Good Communication between cells is necessary for:
 - Proper gland and organ function.
 - Proper system function, for example natural defense, and endocrine.
 - Optimal Health.
2. Provides raw materials for the body to use to promote optimal cellular communication.
3. Provides glyconutrients, a blend of specific plant saccharides that provides support for the immune system.

Statement of Nutritional Support Notification – Advanced Ambrotose

Page 2

4. Provides saccharides that are necessary for the body's creation of glycoforms, the structures on cell surfaces used to "talk" to other cells.
5. Helps provide saccharides used in glycoconjugate synthesis.

Mannatech Incorporated certifies that it possesses adequate substantiation for these statements of nutritional support; that the substantiation renders them truthful and non-misleading and thus permissible under the Dietary Supplement Health and Education Act (DSHEA); and that the information contained in this notice is complete and accurate.

Yours truly,

A handwritten signature in cursive script that reads "Dennis R. Sparkman".
